A well proportioned detached bungalow requiring some modernisation and with potential to extend (stpp), located in a quiet cul de sac backing rural land.

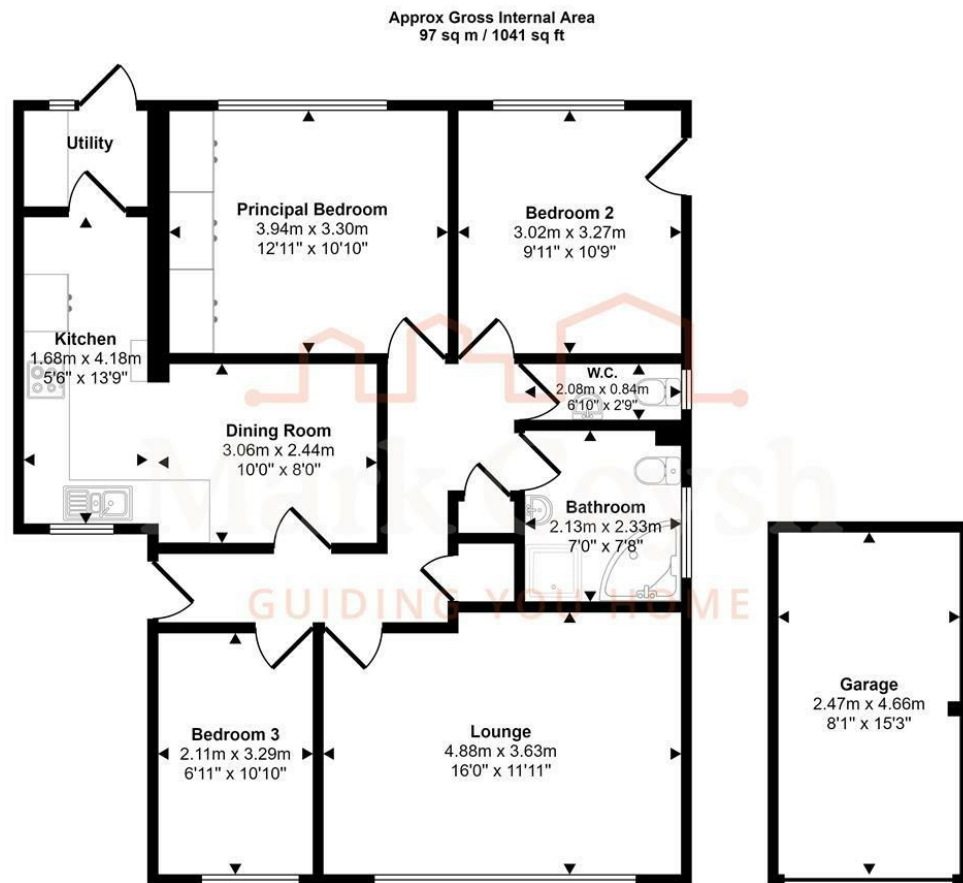

The current footprint details an L shaped hallway with fitted storage and airing cupboards, a kitchen/dining room with separate utility area, three good size bedrooms, bathroom with natural light, separate toilet and a generous reception room. There is also access to a large loft space.

To the rear there is a wraparound garden with side access to the front of the dwelling, where lies a detached garage and a driveway with copious off street parking.

Whitstable is a historic county of Kent and is situated east of the Isle of Sheppey on the River Thames estuary shore, about 4 miles (6 km) west of Herne Bay. From the bungalow there are handy bus and road links to Whitstable Harbour Town and the City of Canterbury is also close by. Local shopping facilities are available at a local major brand superstore and Whitstable mainline railway station is within comfortable reach.
