## REQUIRING FULL MODERNISATION THROUGHOUT

A halls adjoining semi-detached period family home with huge potential to extend and improve, located in a quiet residential road within easy reach of West Sutton Station.

The current ground floor layout includes a good size hallway with under stair cupboard, a dual aspect through lounge/dining room with feature bay window to the front, a generous kitchen/breakfast room with access to what once was a conservatory/garden room.

The upstairs landing gives way to three well proportioned bedrooms and a family bathroom with good natural light. There is also access to a large loft space which could potentially be converted (stpp).

To the rear there is a good length garden, also needing attention, with handy side access to the front of the dwelling.
