

2 Taylor Road, Ashtead, KT21 2HY
Guide price £525,000

MOTIVATED VENDORS WHO HAVE SECURED AND ONWARD PURCHASE WHICH IS END OF CHAIN.

On the market for the first time in 41 years is this welcoming family home, located in a sought after residential road, close to local schools, the mainline station and amenities, with lots of potential to extend and improve (stpp).

The current ground floor layout includes an entrance lobby, square living room with under stair storage, a fantastic full width kitchen/dining room, garden room with recently improved roof and a shower room with lots of natural light.

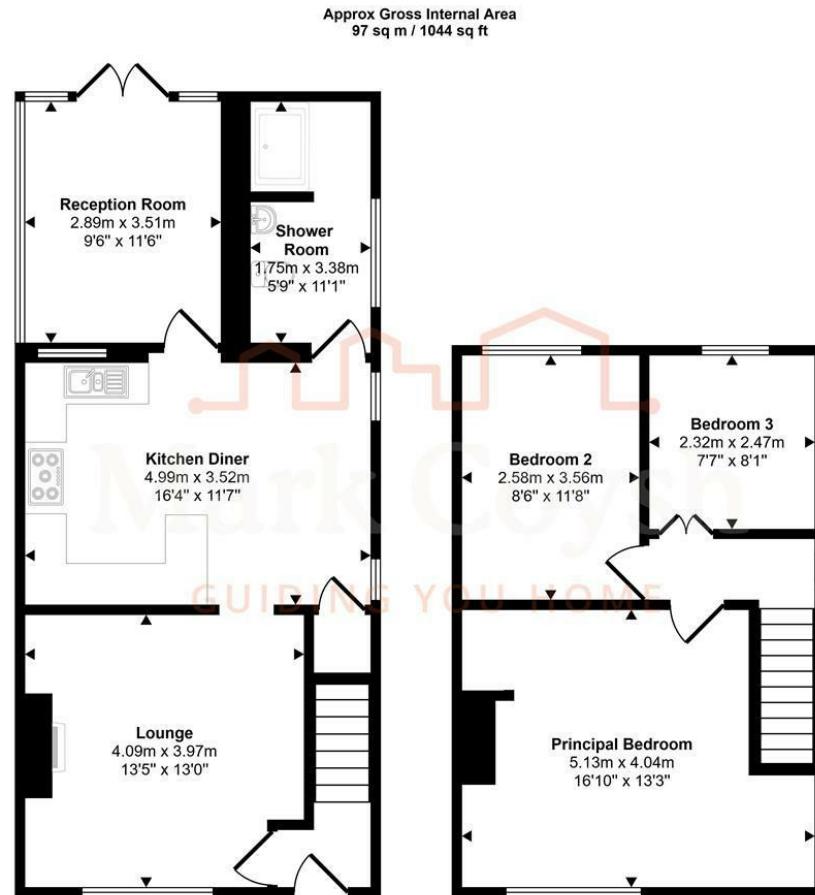

Upstairs there are currently three well proportioned bedrooms and access to a large loft space. The principle bedroom is of such a size, that an en suite bathroom could easily be added.

It is quite common for these properties to have permission granted for partial double storey extensions to the rear and for the lofts to be converted (stpp). Plans for several examples can be viewed on the local councils planning portal.

The rear garden is of good length and includes a covered seating area, patio, side access to the front of the dwelling, space for a shed/summer house, a large lawned section with an adjacent path to the rear of the garden where there is a substantial outbuilding. This is currently used mainly for storage but could be converted into a home office, gym or treatment room. To the front there is off street parking for approx two vehicles.

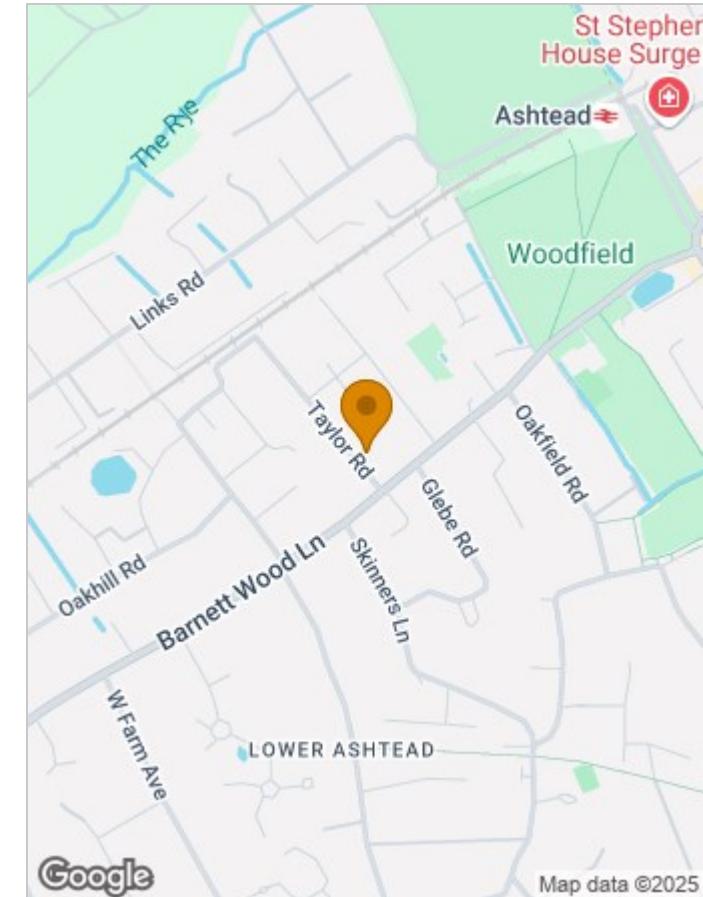

This floorplan is only for illustrative purposes and is not to scale. Measurements of rooms, doors, windows, and any items are approximate and no responsibility is taken for any error, omission or mis-statement. Icons of items such as bathroom suites are representations only and may not look like the real items. Made with Made Snappy 360.

Viewing
