

20 Stonny Croft, Ashted, KT21 1SQ
Offers in excess of £600,000

 3  1  1  D

A semi-detached family home boasting one of the largest garden plots on this extremely popular residential road, moments from one of the areas most sought after schools.

The current ground floor layout includes a good size enclosed porch, a welcoming entrance hallway, a generous through lounge/dining room with French doors leading onto the beautiful rear garden, a modern fitted kitchen and a flexible side extension, currently functioning as utility and storage areas. This section of the house lends itself to a single storey rear extension (stpp) and this could be incorporated into the existing side extension, to maximise the space to it's full potential.

Upstairs there are two double bedrooms, a comfortable size single and a modern family bathroom with separate shower. There is also a staircase leading from bedroom two into a boarded loft room. This space could again be further developed (stpp) to provide an official fourth bedroom, with the possible benefit of an en suite bathroom.

The rear garden is a considerable size and has been landscaped and beautifully matured over the decades. There is a paved patio area, a large lawn, established borders, space for several outbuildings and a hardstanding for off street park to the rear, accessed by a service road.

Stonny Croft is positioned close to several of the villages top regarded schools, as well as being walkable to the mainline station, local amenities and the stunning green and wooded spaces on offer. Junction 9 of the M25 is a short

drive away and there is also great road connectivity via the A24, A217 and A3.
